BREAKFAST AT SUSTAINABILITY'S

ICLEI Local Governments for Sustainability

*The **Brussels-Europe Liaison Office** is pleased to host the **8th Breakfast at Sustainability's (B@S)** - the Brussels series of thematic seminars organised by **ICLEI – Local Governments for Sustainability:***

- ***Small informal meetings** hosted by Bxl representations of regional & local governments.*
- *Topics address **sustainable urban development**, essential to public authorities - from climate change to waste management, from land use, social responsibility, water, transport, energy and many more.*
- ***Financing and action are always core elements!***
- ***Approach:** Breakfast, short expert input, followed by moderated interactive discussion.*
