

ICLEI's European Cities for Climate Protection™ (CCP) Campaign

PARTICIPANTS LIST

List of cities, towns, counties and provinces that are CCP Europe participants (Sept. 2010).

The Cities for Climate Protection™ (CCP) Campaign was launched by ICLEI – Local Governments for Sustainability in 1993. It was established as a movement, a network and a framework for action for communities around the world addressing climate protection.

Joining the European CCP Campaign (CCP Europe) and use of the 'CCP Basic' package is free, and open to any local government based in the wider European region. To become a CCP participant a municipality has to submit a CCP Sign-up Document completed by a senior representative to ICLEI Europe – more details on www.iclei-europe.org/ccp.
